     Re: Complaint about lawyer Christopher Douglas Buck

Dear Mr. Platt:

This office reviewed the complaint you filed regarding the above lawyer. We sent the lawyer a copy of your complaint and requested the lawyer take certain action. You should have received a copy of our letter to the lawyer.

I received Mr. Buck's June 4th letter on which you were copied. Mr. Buck advised that your file was transferred to you electronically on May 25th. Also, a flash drive containing a hardcopy of your file was delivered to you by Federal Express on May 26th. I also understand that you were provided with an electronic copy of the firm's invoice and a hardcopy of the final invoice and reimbursement check were delivered to you by Federal Express on June 1st.

I also received your additional correspondence from you regarding your concerns. The VSB does not monitor the contents of the lawyer's file. If you believe documents were not included in the materials provided by Mr. Buck, you should address that directly with him. As for your concerns regarding malpractice issues, the VSB is not an alternate forum to resolve those matters. The VSB will not open disciplinary cases on dissatisfaction with the quality of a lawyer's representation of a client. The VSB does not investigate or discipline a lawyer solely on the quality of the lawyer's advice or strategy. Based on the response to our request to the lawyer, it is our decision to dismiss this matter.

Thank you for bringing this matter to the attention of the Virginia State Bar.

     Very truly yours,

     James C. Bodie
     Intake Counsel
